Weekday Warriors...

Last night the team hosted Wheaton South and St. Charles East in a Triangular meet. These meets are “Open” which means teams are allowed unlimited entries in any event, but no team score is kept. It’s a great opportunity because it gives all athletes a chance to compete.

Despite the dropping temperatures the team managed to capture several 1st place Varsity finishes...Chris Filip in the High Jump, Andy Tomaka in the 1600m, Elliot Krause in the Pole Vault, Curtwan Evans in the Shot Put & Discus, Joe Pierce in the 300 IH, Eric Dade in the 400m (setting a new PR) and the 4x400 relay of Dade, Zach Schwarz, Antonio Shenault and Austin Weil. Other strong performances were turned in by Tommie Jackson in the 110HH, Joe Riggio, Brenden Fleming, and Alex Pape.

At the Frosh/Soph level there were also 1st place finishes...Deonte Givens in the Long Jump with a new PR, Jake Hianik in the 110HH, Eric Gal in the High Jump, Kyle Brown in the Pole Vault with a new PR, Greg Love in the 100m, Dylan Scheirich in the Shot Put and Chago Basso in the Discus. Other strong performances included Jony Tanase, Alex Copca, and Julian & Jake Boryszewski.

The team is off this weekend for some well deserved rest. The next competition is another “Open” meet next Tuesday the 29th at East Campus where all events start at 4:30.
