Weekday Warriors...

Last night the team hosted Bartlett and Elgin in a Triangular “Open” Meet won by the Lancers. An “open” meet is one in which everyone gets to compete, and this was the last open meet of the season. That means that the competition season for many of the team is over, but many of the Lancers took one last opportunity to make a mark. The 4x100 relay team of AJ Sharma, Jeff Michareune, Alex Solomon and Marsalis Wilson and the 4x200 relay team CJ Molino, Syed Abidi, Vinit Vaghani and Brendan Fleming used smooth exchanges to get the baton around the oval in their best time this season. Marcus Johnson jumped a PR while winning the High Jump. The horizontal jumps saw good performances as well. Dante Glover, Michael Race and Kamil Szopa all PRed in LJ and TJ. The throwers had their share of PRs as well. Josh Pullman, Max Karlis, Austin Lynch, Jeremy Dade, Clay Wagner, Kevin Baczek and Reggie Ollie all PRed in the Discus. Over in Shot Put, Phil Drozdowski, Julio DeJesus, James Trout and Peter Zubak set new PRs. The busy week continues for the Lancers as they compete at the Hersey F/S Invite tonight and the DuPage County Invite on Friday.
