Glenbard West Recap...

This past Saturday the Lancers were at the Glenbard West Invite where they were up against 15 teams including downstate power Edwardsville. At the end of the day the team finished 2nd illustrating that there is still room for improvement.

The throwers had a very good day at both levels. Curtwan Evans took 1st in both Shot Put and Discus while Mike Prestigiacomo was 3rd in both events. At the Soph level Dylan Scherich set a new PR while winning the Shot Put. Chago Basso took 1st in the Discus and 2nd in the Shot Put while Austin Lynch took 2nd in the Discus.

The 1st final on the track was the 4x800 where the Frosh/Soph team of Will Dover, Jacob Pacione, Ian Vandergrift and Billy Murphy all ran PR times. Antonio Shenault raced to 1st in the 110 HH with a time that ranks him #1 in the state. Peter Szkaradek took 3rd in the Soph 400m and 200m. Other Lancers with PR performances included Chris Jorgensen in the 400m, Tommie Jackson in the 200m, Will Dover in the 1600m and Jake Hianik in the 300 IH.

Back in the field events Joe Pierce set a new PR in the Long Jump while taking 2nd. Elliot Krause won the Varsity Pole Vault. Frosh/Soph Vaulters Ethan Koval and Kyle Brown both set new PRs as they finished 2nd and 3rd.

This is another busy week for the team as they will split up and compete at 2 different meets on Tuesday (Hersey Frosh/Soph Invite and a Triangular meet at Wheaton North) before Friday night's highly competitive County meet at Naperville Central.
