# Split Personalities...

This past weekend the team split up. One group faced off against St. Charles and South Elgin while the others were at the Proviso East Invite competing against 17 other teams. Splitting the team up, while less than ideal for team unity, gave everybody a chance to compete.

We will start the recap in St. Charles. The 4x800 relay of Will Dover, Brandon Justiniano, Jason Beugnet and Jackson Avgerinos ran away with 1st place. Senior Lucas Bennett looks like he is rounding back into form based on his seasonal best in the PV. Derek Szczekocki improved on last weeks performance in the 800 by more than 4 seconds. The team welcomed back Joe Spitalli from swimming as he made an immediate splash in the sprints. All 3 Beugnet boys ran PRs in the 1600. Alex Golab opened some eyes with a 2nd place finish in the 200m. In the throws, Junior Austin Lynch served notice as he threw a big PR in the Shot Put!

Meanwhile at Proviso, the Frosh/Team captured 3rd place while Varsity was 4th. Senior Gio Basso double scored in both the Long and Triple Jumps. Dylan Scheirich threw a new PR while capturing 1st in the varsity Shot Put. Newcomer Jacob Panasiuk took home 1st place in the F/S Shot Put in his very first meet. Ethan Koval captured 1st place in the F/S Pole vault by more than 2 feet. The 4x200 relay of Darius Allen, Jony Tanase, Luke Worwa and Tyler Davis captured 3rd while the varsity 4x400 of Paul Garcia, Alex Giraud, Peter Szkaradek and Jacob Bartoli also took 3rd.

This weekend the Lancers gear up for their biggest test to date. They are back at Proviso West in an Invite that features several of the elite programs in the state.
