## 2 For 2 At Batavia!

This past Friday night the team won the “DeDomenico” Invite hosted by Batavia for the 2nd year in a row! With the DVC Conference meet two weeks away this meet provided an opportunity for the Lancers to mix up their line up.

The 4x800 relay team of Andy Birkley, Andy Tomaka, Joey Spitalli and Lucas Bracher led off with a 1st place. Gio Basso looked strong while taking 1st in the Triple Jump. Joe Pierce set PR's in the both the Long Jump and the 55HH. Jeremy Lozano set a PR as he took command of the race early en route to winning the 3200m. Teammate Matt Miarka finished 3rd in the 3200m with a PR of his own. Hurdlers Jacob Bartoli and Tommy Jackson made strong debuts in the Hurdle races. Marcus Jegede overcame a slow start to win both the 55m and the Long Jump. Antonio Shenault stretched out and took 3rd in the 400m. The frosh/soph 4x200 relay team of Peter Szkaradek, Nate Figueroa, Deonte Givens and Darius Allen competed well against older competition. Lucas Bracher ran to a new PR in the 1600m while taking 2nd place. Eric Gal continued to improve his Triple Jump as he took 3rd. Other PR's included Robert Kincanon in the 3200m, Felix Gates and Figueroa in the Pole Vault.

Even the throwers got to mix it up a little bit. Curtwan Evans, Peter Zubak and Austin Lynch all threw PR's. However, they might have been more excited about the “Canoli” race. This is a throwers relay where the 1st place team gets Canolis as a prize. Chago Basso led off followed by Zubak, Dylan Scheirich, and Evans. Unfortunately they got 2nd and had to leave without the Canolis, but it was entertaining!

In other action, Elliot Krause took 6th and set a PR at the Pole Vault Summit which is a competition that brings together the best vaulters in the the state.

The team returns to action Friday night at Wheaton North.

Freshman Chago Basso (sitting) and Junior Peter Zubak await their chance to throw.

Junior Gio Basso (in white) contemplates his next triple jump attempt whil Eric Gal looks on.
