## Holy Cannoli!!!

This past Friday the Lancers competed at the "DiDomenico" Invitational hosted by Batavia High School. This 6 team meet features a scoring division and an open division. The Lancers finished 3rd at this year's event. The highlight of this event is the "Cannoli" relay race. This exciting event pits the throwers from each school against each in a 4x100 relay. This year the team of Jarod Pankau, Dylan Scheirich, Jacob Panasiuk and Chago Basso captured 1st place and the coveted first place prize which was a platter of Cannolis! I say "was" because they didn't last very long. In other open event news, Austin Lynch qualified for Indoor State in the the Shot Put with 1st place and a new PR. Darius Allen finished 2nd in the 55 High Hurdles. The 4x400 relay of Marcel Spiewak, Alec Verven, Luke Worwa and Thomas Ballard also finished 2nd.

In the scoring division Dylan Scheirich's new PR in the Shot Put was good enough for 1st place and the best throw in Illinois and the 25th best throw in the nation! Gio Basso captured 2nd in the Long and Triple Jumps and 3rd in the 200m. Other PR performances included Vince Shaw in the Triple Jump, Josh Metoyer in the Long Jump, and Andrew Beugnet and Colin Kirkham in the mile.

The Lancers next meet is Friday night at Wheaton North where events start at 4:30.
