DVChampions!!!

This past Friday night the Varsity team was dominant on its way to capturing 1st place at the DVC Conference meet!

The 4x800 relay of Lucas Bracher, Matt Miarka, Andy Birkley and Jeremy Lozano set the tone early on as they captured 1st place with a meet and school record time in the event. At the same time, Marcus Jegede and Joe Pierce were leaping to 1st and 3rd place finishes with a PR for Pierce. The 55HH provided another meet and school record but this time for Antonio Shenault. He pulled away from the field for 1st place, and a few minutes later returned to win the 55m dash.

In the Triple Jump Marcus Jegede tied yet another meet record with his 1st place effort. Teammate Eric Gal battled for 3rd place as he set a new PR in the event. Back on the track the 4x200 relay of Pierce, Jegede, Shenault and Austin Weil surprised the field as they took 1st place from the 1st heat!

Meanwhile in the Shot Put competition it was a clean sweep for the Lancers. Curtwan Evans and Mike Prestigiacomio took 1st and 2nd with a PR for Mike. In the Frosh/Soph competition Dylan Scheirich and Chago Basso also went 1-2! In the Pole Vault Elliot Krause and Felix Gates finished 2nd and 3rd. Back on the track Eric Dade returned in great form in order to take 2nd place in the 800m. The High Jump provided a 4th and 5th place finish for Nate Celia and Chris Filip who also set a new PR.

Other strong performances included Weil who was 4th in the 55HH, Jegede 4th in the 55m, Zach Schwarz who was 2nd in the 800m and 3rd in the 1600. Also running a strong race was the Frosh/Soph 4x200 team of Peter Szkaradek, Nate Figueroa, Darius Allen and Zach Rae as they took 4th place.

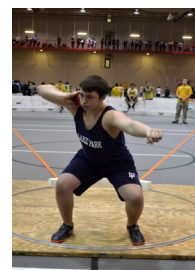

It was a great introduction to the new conference and the Lancers certainly made a good 1st impression! This is a busy week for the team with the Fenton F/S Invite on Tuesday, the DVC JV meet on Thursday and the Illinois Top Times Indoor State meet on Saturday.
